R. C. Bailey Land Co., El Paso, Texas.

Dear Sirs: Two years ago I decided that I would like to invest some money in real estate and after looking around decided that the Rio Grande valley near El Paso offered the best investment, so I made a trip down to El Paso and after looking over both valleys, El Paso and below El Paso, decided that the Mesilla valley above El Paso suited me best. After making a personal investigation by myself, and through agents I finally bought 80 acres of land through Mr. Bailey of your company, and I wish to say that I was very pleased, not only with my bargain, but with the accurate and complete information given me by Mr. Bailey, and at the time I was well satisfied and have remained so. I do not believe that I could have made a better one under any circumstances. I might add that a substantial profit was offered as I bought the land at \$75 per acre, and within four months received an offer of \$90 per acre for same.

Yours very truly,
H. W. Loggins,
Engineer E. P. & S. W. R. R. Co.
